

AMELIA DAY FESTIVAL SOUND EQUIPMENT PROVIDED

Listed below is what our sound operator will have onsite for the festival. If you will require anything different or have questions, please email Danny Sheehan at danny@appomattoxaudioworks.com before the festival. Everyone has 15 minutes to set up and take down in between groups so please make sure in advance you know what you have will work with what is provided. Your cooperation keeps the festival entertainment schedule on time!

- All (FOH) Front of House equipment. (speakers, mixing console)
- Stage monitors, up to 4. If more is needed, please advise.
- 4 Mic stands 4 wired mics, mic cables, vocal and instrument microphones.
- 2 wireless mics
- (DI) Direct input boxes.
- Front line and back line power with power strips.
- Digital board recording upon request. Group must provide 2-4 gig thumb drive.
