## 2025 Amelia Day Festival – Food Vendor Registration

The Amelia Day Festival Committee is excited to announce the 2025 Amelia Day Festival is Saturday, May 10, from 9:30 am to 4:30 pm (time subject to change). The 40th year of the festival takes place in the historic Courthouse Square and includes food, crafts, fun, and live entertainment. Your participation in this special event is needed to ensure all patrons have delicious food and drink options.

The price for each 12ft x 12ft space is:

**For-Profit**: \$55 if registration and payment are received by February 28, 2025. If registration and/or payment are received after February 28, the price is \$75.

**Non-Profit**: \$40 if registration and payment are received by February 28, 2025. If registration and/or payment are received after February 28, the price is \$50.

If, on festival day, it is determined that your set-up is larger than 12ft x 12ft, you will be required to purchase additional space(s), if available, at the late registration rate. If additional space(s) is not available, you will be unable to set-up participate. If this occurs, no refunds will be issued. To avoid this situation, measure your set-up and register accordingly.

Spaces are allocated by first-come, first-served basis. Special requests for spaces will be honored where available. Prior to the festival, we will email you the festival map and your assigned booth number.

A limited amount of electricity will be available for use for an additional fee of \$10.00. If you choose this option, you must bring a minimum of 150ft, heavy duty extension cord. Portable generators may be used, but must be marketed as no or little noise. If your generator produces too much noise and interferes with entertainment, you will be asked to turn it off. Vendors must supply their own setup (i.e., canopy, table, chairs). You must also bring the necessary equipment to anchor your tent and anything else you bring.

For an additional \$10.00, we offer the opportunity to be highlighted on the festival's full-page advertisement in The Amelia Bulletin Monitor and on the map signs located throughout the festival grounds. If you would like to purchase any additional advertising prior to Amelia Day, please contact The Amelia Bulletin Monitor at (804) 561-3655 or contactus@ameliamonitor.com.

On the morning of the festival, set-up time for food vendors with trailers is 6:30 am to 7:00 am. and setup time for vendors without trailers is staggered between 7:00 am and 8:30 am based on where your booth is located. You must adhere to your setup time or risk losing your spot. All vehicles must be off the roads near the Courthouse Square no later than 9:00 am. Take down is after 4:30 pm. The streets will re-open to vendors after that time, once clear of pedestrians, and remain open until 7:00 pm.
